Message from the Principal

The children have all settled well after the holidays. Thank you for your support with the uniform, they all look very smart.

At the end of the Academy day there has been some confusion over the arrangements for collecting the children.

The gate by the Hive will now open at 3.30pm, this is because years 4, 5 and 6 have PE at the end of the day on the playground.

Please can reception parents use the gate by the office to collect children. Mr Patel is going to dismiss his children through the gate in the outdoor area. Please can younger siblings stay off the playground as we don't want them to hurt themselves.

Years 1 and 2 will continue to be dismissed on the playground. Please can Year 3 parents wait by the gate. Year 3 will walk up to the gate to be dismissed. This is for safety reasons so staff know that children have been passed to a parent. Years 4, 5 and 6 will walk up to the main gate at the end of the day and meet their parents there.

The Academy gates will be locked and the site secured at 3.45pm each day.

You may have noticed our new outdoor classroom. This has been bought using the funds raised by the PTA. I would like to say thank you to the PTA and parents for their support. If you are interested in joining the PTA please call into the main office for more information.

Please can the children and younger siblings keep off the play equipment and the new outdoor classroom at the end of the Academy day. It would be a shame if things got accidentally damaged so they cannot be used by the children. I also need to request that no bikes/scooters are brought onto the yard. Thank you for your co-operation in these matters, it is appreciated for the safety of everyone.
