Key Stage 1 - 100 high-frequency words in phases from *Letters and Sounds*

The high frequency words in each phase have been sorted according to whether the words are phonetically decodable or not.

Below are the 100 high frequency words in phases. Phonetically decodable words are in green, to visually represent to the children they need to apply their phonic knowledge and skills, whereas the high frequency 'tricky words' are in red.

KS1 will use words from these lists at the phase they are in alongside phonic words which are being used in the phonic sessions.
