

Landau Forte Academy Greenacres

Our Academy Newsletter: 29th January 2016

Important Information

Attendance

Our expected level of attendance is 90% and as of 29th January 2016 it is at 96.4%. Well done.

- ◆ There has been a growing number of phones within the Academy. Phones are not needed during the Academy day. If your child walks home on their own they may need to bring their phone in. These must be handed into the office at the start of the day and collected at the end of the day.
- ◆ If you have any concerns please do not hesitate to contact the Academy to make an appointment to see Mrs Bridge. Occasionally posts on social media are brought to the attention of the Academy a week after the initial problem. These could have been resolved quickly and without causing upset.
- ◆ In the unlikely event of us having to carry out an emergency evacuation, parents will receive a text message to collect their child from the green by the church. Please ensure we have your up-to-date contact numbers.
- ◆ The PTA would like you to visit their Greenacres facebook page and keep up to date with any planned fundraising events. There is also an easy fundraising Greenacres PTA link which if used will generate money for the PTA.

- ◆ The PTA are also looking to start selling good condition second hand uniform and fancy dress outfits to raise money. They would be grateful if you could donate any out grown or not used items to help raise funds for the Academy.
- ◆ If you are unable to make the parents' evening in February, please make an appointment to see the class teacher at another time.

World Book Day — Friday 4th March

We have decided to have a pyjama dress up day this year instead of dressing up as a book character, and each child to bring in their favourite book to read.

Cadbury World

On Tuesday 26th January Year 3 enjoyed a day at Cadbury's World linking Literacy and Topic work. They were totally fascinated watching a Cadbury's employee delicately painting scenes on a chocolate shoe – they could not believe the skill required for such intricate work.

They listened to a talk "From Bean to Bar" and were allowed to touch and smell not only the cocoa pod but also the cocoa beans. We all left the room with hands that smelled highly edible!

A visit to the shop was highly regarded, but the finale in the 4D cinema rounded the day off nicely. After all, what could be better than a roller coaster ride through the making of chocolate!
