La<u>ndau Forte Academy Greenac</u>res

Our Academy Newsletter: 6th May 2016

\$AT\$ - Year 6 SATs will take place week commencing 9th May 2016. Year 2 Assessments are ongoing during May.

Please can you ensure that the children are on time during the SATs period as they are not allowed additional time for being late.

Uniform - Please ensure your child wears school shoes as part of their uniform and not brightly coloured trainers.

Movie Nights - The Movie nights organised by the PTA were a huge success and very enjoyable. We would like to thank the PTA for arranging them and giving the children the experience. Although a small amount of profit was made, the focus was for the children to enjoy the films. Any money raised by the PTA throughout the year on various events is used for the benefit of the children at Greenacres.

Tamworth Castle Trip

On Monday 25th April Year 2 went on a trip to Tamworth Castle because we were learning about Castles and Knights. First we went in the Great Hall and left our bags. Then we went for a look around the castle. One of the rooms was tilted because it was old. We had to be careful on the stairs because they were steep and we didn't want to fall! At the top of the tall tower we could see miles away. What a fantastic view we could see! The houses were really small and the people looked like tiny ants. In the afternoon we met Master Richard and he taught us how to set the table for the Lord and Lady. Laura had to do the 'salt ceremony'. When the lady came in the room we had to bow and curtsey for her. The Lady told us about life for children in the castle. Ewan and Olivia got dressed up in the clothes they would wear. Olivia said she was really warm in the dress but it

had nice and smooth material. After that we met Lucy and she told us all about the armour the knight wore. We helped her get the shiny, silver armour ready for the knight to wear. Felicity said "It was really heavy. I would go splat on the floor if I had to wear it!" We had a brilliant time at Tamworth Castle and learnt lots. Why don't you go too?

Germinating Rocket Seed

It's rocket science in Year 4. Primary school children throughout the country have been challenged by Tim Peake, who is orbiting the Earth on the International Space Station, to become rocket scientists. We have been asked to plant 200 seeds of Rocket, 100 of which have been taken up into Space. We were given two packets, red and blue, asked to plant them and observe what happens. We do not know which set of seeds went into Space. The plants have been planted about a week

now and have started to germinate. We will keep you posted as to what happens.

Calendar

w/c 9/5/16 SATs Year 6

20/5/16—3H/P Class Assembly (9.00am)

27/5/16—End of Term 4

6/6/16—Term 5 begins

10/6/16—1W Class Assembly (9.00am)

Attendance

Our expected level of attendance is 90% and as of 6th May 2016 it is at 96.2%. Well done.

16/6/16—Meeting for parents of children starting in September 2016 (6pm)
