## Our Academy Newsletter: 20th January 2017

**Lottery funding**—We have been successful in securing lottery funding of £9,657.00. This funding is great news for our pupils. It will help us to make their playground equipment as exciting, fun and safe as possible. We put a lot of emphasis on helping our children learn through play and to be healthy and active, so we're very pleased.

Supported by  
**The National Lottery**<sup>®</sup>  
through Awards for All

**Snow**—Thank you to all parents that sent warm clothing and suitable footwear on the day that we had snow. It is a rare event and our reception children probably hadn't seen snow before, so we were keen for them to play out for a short while to experience it. They had great fun.

**Lunchtime Trophy**—Awarded to Class 4W last week—well done .

Winners of this week's Reading Challenge— Year 6 with a fantastic 82% of children reading 5 times or more

### Assembly on the importance of healthy eating and exercise

On Monday 16th January the school nurse came into the Academy to do an assembly for us based on the Government initiative 'change for life'. She explained to the children the importance of eating healthily and getting plenty of exercise. Leaflets were handed out explaining more about it. You can register online at [www.nhs.uk/change4life](http://www.nhs.uk/change4life) for more information and there is a smart app that calculates how much sugar is in food by scanning the bar code on your mobile phone.

### On-line Safety

Please can parents explain some of the dangers of using social media to their children.

Children need to be kept safe and understand that it is not appropriate to take pictures without someone's permission and upload them onto social media. A person's privacy needs to be respected.

Children and parents must consider their security settings when using social media sites to protect themselves.

### Parking

Can parents please be extra careful when dropping off children as unfortunately we had a near miss involving a child last week. The Academy cannot police the yellow zig-zag lines as this does not come under our jurisdiction.

We ask again that parents show respect for our neighbours and safety of our children when driving up to the Academy.
