Our Academy Newsletter: 20th July 2018

Message from the Principal — As we come to the end of another academic year I would like to thank you for all your support you have given this year. We are very proud of the Year 6 children and what they have achieved in the SATs. As they move onto secondary school I wish them every success in the future. I am sure they will do well.

Yesterday we said goodbye to Mr Coppin, our Site Manager, as he moves to QEMS. He has been at the Academy for five years and we wish him all the best in his new role.

Miss Noriega gets married in the holidays and will return as Mrs Carter. Also Mr Herrmann is getting married. We wish them both all the best for their wedding days and the future.

Summer Fayre — Thank you to all who supported this and to the PTA for arranging everything. Thank you also to all staff and helpers on the day. It was a very successful and enjoyable day and approximately £1,100 was raised.

Yr 3 Trip to Botanical Gardens

On Friday 6th July year 3 went on a school trip to the Botanical Gardens. We got to hold some animals and learn more about the Rainforest. We held a twiglet that is a type of stick insect. Also we got to hold a millipede which was giant and stroke a huge snail. As well as these we got to hold a cornfield snake called Toffee, and stroke a chameleon with beautiful colours on it.

After lunch we went to the Butterfly House. There were lots of different species of these amazing creatures. The way out of the Butterfly House we saw a mother peacock with two babies. Year 3 had a lovely trip.

French Club

Our French club has been a popular event each week. The children have played French Boules, sampled a variety of French food and specialty cheeses, gained confidence in the language and have even been brave enough to try snails. It has been wonderful to hear all the children have fun with practising the language.

bonnes vacances !
