

# Landau Forte Academy Greenacres

**Our Academy Newsletter: 18th October 2019**

**Harvest Festival** — Thank you for all the donations for the harvest festival. The children enjoyed the special assemblies. All produce was taken to St Giles Hospice and Cornerstone Housing Association and they both expressed their thanks for the donations.

**Firework Safety** — The children have all been given information in assemblies on how to stay safe with Bonfire and Firework events happening over the coming weeks.

**Parking Issues in Chandlers Drive and Greenacres Close** — Could we please ask on behalf of residents that you do not park and block the drives of any areas around the Academy.

**Lunchtime Supervisor Vacancies** — If you would be interested in this position which is 6.75 hours a week, helping with support and supervision of pupils during the lunchtime period, please see reception for an application form.

**Attendance and Lateness** — There has been a significant fall in our attendance. Please can holidays not be taken in term time. This causes the children to lose valuable learning time. Also we seem to have a high number of children arriving late which again disrupts the start of the day. Can you please ensure that children are here by 8.55am. Thank you for your co-operation.

## Year 5 Space Centre Trip

On Tuesday, 8th October Year 5 blasted off to the Space Centre in Leicester. We had a great day learning about the different planets, the history of space travel and we ventured up the iconic rocket tower.

With lots of interactive activities, the children were able to design their own rockets, pretend to be mission control, launch water rockets and record weather reports.

In the UK's largest planetarium, we experienced what it was like to train as an astronaut and travel to space. It was an 'out of this world' experience!

## Calendar
