Dear Parents/Carers

School Closure for 2 days – Thursday 25th and Friday 26th March

As you are aware we have had a Year 4 child and now two Lunchtime Supervisors and a member of the catering staff with a confirmed case of Covid-19. The adults have not had close contact with the children and Public Health have agreed that there is no risk to the children in school.

However, the Trust has advised, as a precautionary measure, that the Academy closes for 2 days for a deep clean on Thursday 25th and Friday 26th March 2021. All pupils return on Monday 29th March and school will close for Easter at the end of the day on Thursday 1st April 2021.

Due to this the kitchen staff are isolating and the kitchen will not be open for snacks or lunches. If you could send your child in with a morning snack next week and a packed lunch that would be very helpful. We are able to provide a sandwich lunch for any child that requires it and free school meal children.

I am sorry for the inconvenience this short notice will cause. It will be difficult for families, but we have taken this decision to keep the children and staff as safe as possible.

If your child displays symptoms PCR tests are available at local walk in centres.

If you have a positive lateral flow test then you must book a PCR test to confirm.

We appreciate your support in this matter and thank you to all parents who have sent their children for tests.

Yours sincerely
