

Landau Forte Academy Greenacres

Our Academy Newsletter: 5th November 2021

Attendance — We are being asked to monitor any children whose attendance is dropping. Please can you ensure that they attend regularly unless unwell. There are also a number of children arriving late for school on a regular basis. This is not only disruptive for the class but they are missing vital information. Could parents please ensure that all children arrive on time unless there is a valid reason such as an appointment etc. Thank you for your support.

Harvest Festival — Due to covid restrictions we decided that instead of bringing produce into school that we would ask for a donation and have a non-uniform day. This will be passed onto St Giles Hospice instead of the produce. Thank you to everyone who donated—we raised £363.83.

Lunchtime Supervisor Vacancies — If you know anyone who may be interested in a lunchtime supervisor role please ask them to contact reception for more details.

Space Centre Year 5 Trip — A few weeks ago, 50 excited year fives headed off to Leicester to visit the National Space Centre. We had a great time using the interactive displays to learn about space. The space centre was crammed full of space suits and models of rockets, satellites and meteorites. We watched the 'Astronaut' show in the Sir Patrick Moore Planetarium. In this show, we experienced what a rocket launch feels like from inside the body of an astronaut and some of the training that an astronaut undergoes before going into space. It was a great day out!

Activities Day Year 6 — Y6 went to Beaudesert where we took part in lots of outdoor activities. We did four different activities throughout the day in our groups. My group did tomahawk throwing, low ropes, pedal carts and crate stacking. I enjoyed the tomahawk throwing the best because we got to throw axes which I have never done before! I also really enjoyed the crate stacking as we climbed really high on the crates that we stacked and we learnt to work well as a team. All in all it was a great day and I enjoyed it all. Jake 6T

Year 5—Cross Country Championships

On the 14th October, 13 Year 5 children took part in the Tamworth Primary School cross country championships at Rawlett High School. All of the children competed fantastically and completed the 1200m long track successfully.

A huge congratulations to Freddie from 5H, who led from the start and finished in a truly amazing 1st position out of 52 other competitors. The children also displayed a fantastic amount of sportsmanship and teamwork during this event, cheering each other over the line.

Mr Herrmann would also like to thank the parents who helped transport the children to the event as without your help, the event wouldn't have been able to go ahead.

Calendar

- 09/11/21 — Whole School Photos
- 19/11/21 — Children in Need Day
- 25/11/21 — Year 3 Egyptian Dress up Day
- 17/12/21 — Last day of Term
