Our Academy Newsletter: 21st January 2022

Covid latest guidance from the Dept of Education January 2022

- * It is no longer recommended to keep children in 'bubbles' but if there is an outbreak in school these may be temporarily reintroduced.
- * Face coverings are no longer advised for staff and visitors in communal areas from 27/1/22. Again the director of public health may advise these being temporarily introduced.
- * We will continue to monitor cases and act accordingly for the safety of all staff and pupils.
- * Appropriate cleaning measures are in place especially on frequently touched surfaces.
- * Occupied spaces are well ventilated.
- * Ensure good hygiene.
- * Follow public health on testing, self isolation and managing confirmed cases of Covid-19.
- * Staff should continue to test twice weekly at home using Lateral Flow test kits, 3-4 days apart.
- * Schools are strongly encouraged to ask parents and other visitors to test before entering the school.
- * There is no need for primary age pupils to regularly test, unless they have been asked to do a daily test for seven days following contact with a positive case.

Parents' Evenings 9th/10th February — Have you returned the booking slip?

I am hoping to be able to hold a face to face parents' evenings this term, subject to some covid rules! However this will depend if there is an increase in case numbers the week before, and it may have to revert to telephone consultation. These consultations give an indicator of your child's progress and allow parents to see their child's work. It gives you the opportunity to discuss academic progress and targets for improvement. The times for the sessions are:-

Wednesday 9th February 6.00 – 8.00 pm

Thursday 10th February 4.00 – 5.00 pm and 5.00 – 6.00pm

We will allow ten minutes only for each appointment. If you are unable to attend or require extra time, please request a second or alternative session with your child's teacher at a future, mutually convenient time.

HOPE Virtual Parent Support

How to Support Your Anxious Child

Tues 25th Jan 7pm / Thurs 27th Jan 10am

We are re-running this session on anxiety following requests from parents and positive feedback

- Understanding anxiety in children and young people.
- How to support your child struggling with anxious thoughts and worries
- Coping strategies and self care

What a wonderful project, amazing advice, thank you!

Really useful and very re-assuring
