

Landau Forte Academy Greenacres

Our Academy Newsletter: 16th December 2022

Merry Christmas — Thank you for your support during the last Term. I hope you enjoyed the Christmas Nativity and KS1 Christmas productions. It was lovely to have full audiences back in school to watch the hard work the children and staff have put in to the performances. We hope you enjoyed them.

We have had lots of illness during December this year. I am hoping that everybody will have a better 2023 and the school attendance will improve significantly.

In January we will be going to the Hippodrome to see Dick Whittington. I know the children will enjoy the pantomime. We will be sending details on the timings of the day during the first week back.

We would like to wish everyone a very Happy Christmas and a prosperous New Year and we will see you all back on Tuesday 3rd January 2023.

Christmas Fair and Enterprise Scheme — This was a huge success and thank you to all involved for all their hard work and to the children for making and selling their enterprise products. The Fair in total raised an amazing £1828.63. Well done everyone.

NHS information re Scarlet Fever/Strep A — What to look out for

Please look out for the signs of scarlet fever over the Christmas holidays and get in touch with your doctor if your child has the following symptoms:

The first signs can be flu like symptoms, including a high temperature, a sore throat and swollen neck glands (a large lump on the side of the neck).

A rash appears 12 to 48 hours later which looks like small, raised lumps and starts on the chest and tummy, then spreads. The rash makes the skin feel rough like sandpaper.

A white coating also appears on the tongue. This peels, leaving the tongue red, swollen and covered in little bumps (called strawberry tongue). The rash does not appear on the face, but the cheeks can look red.

This is very infectious but can be treated with antibiotics.

Calendar

- 16/12/22 — Last day of Term
