

Landau Forte Academy Greenacres

Our Academy Newsletter: 24th November 2023

Non-Uniform Day Monday 27th November — We are asking for your support again to enable our Christmas Fair to be a success. On Monday children can come in non-uniform and bring bottles/toys as a donation towards the fair. This is much appreciated.

Christmas Fair Friday 1st December —

This will take place from 3.30pm—5.30pm. Children must be collected as normal and then taken to the Fair by parents.

This is also a Christmas Jumper non-uniform day with a donation of wrapped cakes/chocolates.

The children have been busy making goods to sell at the fair as part of their Enterprise activity.

Children in Need — Thank you for your support for this worthy charity. We raised a total of **£337.07**.

Year 6 Chasewater Trip

Three days of awesome adventure, exploring the wonders of Chasewater Activity Centre! The children of Year Six enjoyed spending time together and working as a team, participating in many outdoor activities.

From rock climbing to kayaking, fire lighting and shelter building the children practised skills and mastered outdoor adventuring.

Although the water activities may have been a little wet, the children did not let that dampen their mood! The trip was filled with fun and laughter; many memories were made which the children will not forget!
