Dear Parents and Carers,

I am writing to you to update you on the ongoing situation with our building at Greenacres.

First of all, I would like to thank you for your patience and understanding regarding the arrangements at school this term. We do appreciate that the current situation will have presented extra pressure for families. I would also like to thank the children for being so sensible and adaptable. The staff have been thoroughly impressed by all the pupils and their maturity in adapting to the bus journeys and temporary accommodation.

We are working very hard to improve the current arrangements for all the children and staff at Greenacres to ensure that everyone's needs are met. However, I can confirm that these arrangements will not carry on into September.

I would like to stress that Greenacres will continue to operate and will be open in September. The Trust is not hiding anything from the Greenacres community, and we are currently working with the Department for Education to identify the best possible solution for us going forward.

In order to give parents and carers the opportunity to ask us questions and raise any concerns, we are organising an evening with bookable sessions from 4.30pm on Wednesday, 22nd May at Landau Forte Academy Amington. Two employees from the Department for Education will also be present to discuss the next steps for Greenacres. Please use the link below to book a place at one of the sessions.

Thank you again for your continued support of the school and for your understanding in this matter.

In the meantime, please do not hesitate to contact me if you have any further questions.

Yours sincerely,
